

Report on one day workshop on Industrial Automation using PLC and HMI

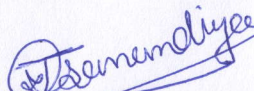

Charutar Vidyamandal's Birla Vishvakarma Mahavidya's TRS Student Chapter in collaboration with AICTE Idea Lab, A.D. Patel Institute of Technology had organized one day workshop titled "Industrial Automation using PLC and HMI" for students and faculties members between 10 AM to 1 PM, Saturday, 26th August, 2023. As part of lab development of Foundation of Smart Manufacturing Lab in BVM, this workshop was organised. There were total 20+ students and faculty's members who had participated.

The Session was started by welcoming the students and faculty members by Prof. Dhaval Tailor (Coordinator). Prof Y D Patel (Coordinator) also explained the importance of Automation in the future and role of mechanical engineer in Smart Manufacturing and Automation. He also ensured to make such more collaboration between AICTE Idea Lab and The Robotic Society, BVM.

The Expert of the session was **Er. Krunal Shah** from **Industrial Automation Services**, who has 10+ experience in the field of Industrial Automation and HMI. He thoroughly explained basics of PLC and how to develop logic for Automation. He also explained how software simulation would be useful while designing the PLC. Overall Session was very interactive and informative for students as well as faculty members. This will surely help the students to make them industry ready engineers. Session was ended with high Tea.

Prof. (Dr.) V J Patel

Coordinator

Glimpse of the Event

Industrial Automation using PLC and HMI In Association with TRS Student Chapter, BVM

Date:

25-26 August, 2023

Time

9 AM to 1 PM

Expert :

Er. Krunal Shah,
Industrial Automation Services
